• **Colour :** Beautiful ruby robe with purple reflections

• **Nose:** Wonderful vibrancy and subtle nose of small red fruits (black cherry), and a hint of spice.

• **Palate:**, smooth rich & fruity with flavours of berries & ripe cherry followed by the same hint of spice. Clean in style with a tension between minerality & a fruit-driven finish.

• **Served:** Taste around 16-17 °

• **Paring:** Perfect with a roasted rooster, guinea fowl with cabbage, partridge or pheasant.
